ORDER OF THE COMMISSION

1. Hearing Date and Place: The captioned cause initially came on for hearing on the 27th day of August, 2018, before the Administrative Law Judge for the Corporation Commission of Oklahoma, in the Commission Courtroom, Jim Thorpe Building, Oklahoma City, Oklahoma, for the purpose of hearing, taking testimony and reporting findings and recommendations to the Commission. After hearing the arguments of counsel and considering all the facts, evidence and testimony presented in the captioned cause, the Administrative Law Judge recommended that an Interim Order issue in said cause, which Interim Order No. 685847, issued on October 31, 2018.

Thereafter, this matter was heard on May 13, 2019, before Sean Denton, Administrative Law Judge for the Corporation Commission of Oklahoma, in the Commission Courtroom, Jim Thorpe Building, Oklahoma City, Oklahoma. Thereafter, a Motion to Reopen was heard and recommended on August 19, 2019. Thereafter, an Amended Application and Amended Notice of Hearing was filed and came on for hearing on September 9, 2019.

2. Appearances: **Eric Huddleston**, attorney for Applicant.

3. Companion Causes: None.

4. Notice and Jurisdiction: Notice has been given by publication as required by Commission Rules and Affidavits of Publication have been filed. Those owners whose names and addresses were attainable have been given actual notice by first-class mail pursuant to Rule 165:5-7-1 and 165:5-7-6. An adjudicative inquiry was conducted by the Administrative Law Judge into the sufficiency of the search to ascertain the names and addresses of all owners and if a diligent effort had been made to locate all affected interest owners. Applicant has made a meaningful and diligent search of all reasonably available sources at hand to ascertain those parties that are entitled to notice and the whereabouts of those entitled to notice but who were served only by publication. The Commission finds the process to be proper and has jurisdiction over the subject matter and the parties.

5. Amendment: None.

ORDER OF THE COMMISSION

6. Relief Requested: Applicant requests that this Commission issue an Order allowing Applicant to situate its proposed Ula 1-31H6X7 well (API 35-093-25153) closer than 600 feet from the Berry Estate HDA-2 well (API 35-093-35666), operated by Applicant herein, located on the above-described unit.

7. Reason Relief Should Be Granted: The evidence showed that locating the proposed horizontal well as requested would assist in preventing waste and protecting correlative rights. The evidence further showed that Applicant owned 100% of the working interest in Section 6, and was the operator of and owned 100% of the working interest in the Berry Estate HDA-2 well. It is not anticipated that the proposed horizontal well will have any adverse impact upon the existing well.

8. Relief Granted: The requested relief is granted. Applicant is hereby authorized to situate its Ula 1-31H6X7 well 345 feet from the Berry Estate HDA-2 well, located on the above-described unit. Said well is targeting the Mississippian (less Chester) common source of supply.
